

Ayn Rand	<p><b>Ayn Rand is best known for her classics <i>Atlas Shrugged</i> and <i>The Fountainhead</i>. One of her earlier works, <i>Anthem</i>, is a dystopian vision of a world in which “self” has been abolished and people have become nothing more than parts of a greater “collective.” Rooted in her own experiences fleeing from the communist Russia of the 1920’s, as well as the rise of fascism in Italy and National Socialism in Germany, Rand wrote <i>Anthem</i> as a warning to all concerned with losing personal identity in an ever changing and rapidly developing world.</b></p> <p><b>Summary by Greg Giordano</b></p>	Anthem
